Summer Internship Program 2020

Learn and explore in a ***real working environment*** and earn the knowledge that leads to growth.

Join Areti Charidemou & Associates LLC two weeks Summer Internship Program which will take place in July 2020. We recruit law students with a mission to inspire and train the next generation of lawyers. Interns will be guided by a mentor who will provide guidance, assign and evaluate projects' progress and will serve as a general advocate throughout the summer. We follow a "learning by doing" approach which is why our summer associates engage in as many hands-on opportunities to learn as possible.

Interns will gain a hands-on experience and their responsibilities will include:

- Legal research and writing
- Visit to the court
- Observation of court proceedings
- Visit to Governmental Authorities
- Seminars on topics related to the lawyer's profession and career path
- Mooting experience

The Summer Internship Program will last two weeks and the working hours are from Monday to Thursday 8:30-18:00 with a mid-day break between 13:00-14:30 and on Friday from 8:30 until 15:00. This is an unpaid position and a limited number of summer associates will be recruited.
