

Blood Donation

2 JUNE 2022
9:00 - 12:30

Cyprus ranks first among the countries of the European Union and the world, in terms of the percentage of blood donors, which reaches **9%** of the population. Seventy thousand units of blood collected every year prove the social sensitivity of Cypriots.

Our office wishes to contribute to this act of altruism by organizing a blood donation on 02/06/2022, 9:00 – 12:30 at our premises located at Vasili Michailidi 21.

Criteria

Anyone **aged 18-45** who does not have a serious medical problem (eg communicable diseases, malignancies, heart diseases) can become a volunteer donor. Registering as a volunteer donor is a purely voluntary and altruistic act and the donor has the right to change his mind. No volunteer donor is paid for this act nor will have any financial cost

Those who wish to participate in the blood donation process please contact us at ira.schiza@aretilaw.com.

Friends and relatives are welcome.
